

Top analyst enters the fold to win over clients with research

FIIG Securities is pleased to announce the appointment of **Corey Wittenberg** to the position of managing director – research and market development, based in Brisbane.

In his new role, Mr Wittenberg will manage FIIG Securities' specialist fixed-income research team, which produces a wide range of investment research and market analysis.

He has 25 years' experience in Australian financial markets in a range of senior positions, most recently at St George Bank where he was head of debt capital markets.

FIIG Securities Managing Director Jim Stening said the appointment was part of a company strategy to give FIIG clients an investment edge through first-class research.

MULLINS Lawyers has recently appointed **Adam Hamrey** to their commercial disputes and insolvency group as a graduate lawyer.

Mr Hamrey recently completed his studies at Queensland University of Technology with a Bachelor of Laws (Hons) and is currently completing his Graduate Diploma in Legal Practice (PLT) through Griffith University.

Mullins Lawyers also welcomes **Zoheb Razvi**, who has recently joined as a solicitor.

Mr Razvi has been practising for several years in Australia and New Zealand. He has worked with national firms as a corporate and commercial lawyer.

LEADING accounting and advisory firm

BDO has announced the appointment of a new partner to its Corporate and International Tax group.

Experienced corporate tax adviser **Larras Moore** has joined the Brisbane arm of the world's fifth-largest international accounting and consulting group. Amid a growing focus on resources industry tax issues, Mr Moore has more than 18 years' experience.

BUSINESS telecommunications specialist Comscentre has appointed **Richard Robinson** to the position of Queensland state manager.

With more than 12 years' experience, Mr Robinson will be responsible for maintaining customer satisfaction, generating new business and building Comscentre's brand awareness in the Queensland market.

His previous roles include business development and account manager at Uecomm, account executive at Optus and team leader and business account executive at AAPT.

Established in 2002 and based in Brisbane, Comscentre specialises in amalgamating voice, data and internet services into one system, backed by a support network.

Mr Robinson said Comscentre Brisbane had been very successful within the small-to-medium business market but he would now engage the corporate market.
