

Terms defined in the Managed Income Portfolio Service Information Memorandum, the Investment Management Agreement or the Client Custody Agreement have the same meanings in this form.

Upon receipt of your request, FIIG will undertake best endeavors to sell the Bonds and terminate your account as soon as is reasonably practicable. Funds received in relation to the sale of individual fixed income securities held in your Managed Portfolio Account will be deposited into your Funding Account as each holding is sold. You should be aware that selling assets under this option may result in a reduction of capital value and capital losses. FIIG will continue to charge the Managed Portfolio Account Management Fee and Custody and Administration Fee until all net proceeds from the sale of assets and any associated coupon payments have been deposited into your Funding Account or the assets transferred in specie out of your Managed Portfolio Account.
